The reference shall be to one arbitrator. If within 14 days of one Party calling for arbitration, the Parties have not agreed upon a sole arbitrator, either Party may apply in writing for the appointment of a sole arbitrator by the President of the LMAA. The award of the sole arbitrator shall be binding on both Parties as if he had been appointed by agreement. Section 69 of the Arbitration Act 1996, appeal on a point of law, is excluded and shall not apply to any arbitration under this Contract. The language of arbitration will be English. The seat of the arbitration shall be Glasgow.
- 18.3.5 Any dispute with a value of under £30,000 (Sterling) shall be referred to the LMAA Small Claims Procedure.
- 18.3.6 For the purposes of giving notices, any notice on Us shall be sent to the contact details provided in this Contract and any notice on You shall be sent to the email address provided by you with your initial query, in line with Clause 3.1.2 above.

19 For European customers, if we cannot resolve your complaint, you may wish to use an alternative dispute resolution (ADR) provider. You can also submit a complaint to the EU Online Dispute Resolution (ODR) platform at <http://ec.europa.eu/odr>.

20 FORCE MAJEURE

- 20.1 Neither party shall be liable for any failure or delay in performing its obligations under this Contract to the extent that such failure or delay is caused by a Force Majeure Event. A "**Force Majeure Event**" means any event or circumstance beyond the reasonable control of the affected party, including but not limited to acts of God, war, terrorism, civil unrest, strikes, lockouts, epidemics, pandemics, natural disasters, governmental actions, or interruption or failure of utility services.
- 20.2 The party affected by a Force Majeure Event shall promptly notify the other party in writing, providing reasonable details of the event, its anticipated duration, and the obligations affected. - 20.3 The obligations of the affected party shall be suspended for the duration of the Force Majeure Event. The Parties shall use all reasonable endeavours to mitigate the effect

of the Force Majeure Event and to resume the performance of their obligations as soon as reasonably possible.

- 20.4 If the Force Majeure Event continues for a period of thirty (30) consecutive days or more, either party may terminate this Contract by giving written notice to the other party. In such event, the Client shall pay BEE for all Products and Services provided and costs incurred up to the date of termination.
- 20.5 Nothing in this clause shall excuse the Client from any payment obligations for Products and Services delivered prior to the occurrence of the Force Majeure Event.

21 OTHER IMPORTANT TERMS

- 21.1 We may transfer this agreement to someone else. We may transfer Our rights and obligations under the Contract to another organisation.
- 21.2 Unless otherwise agreed, we will deliver the Products within 30 days of accepting your order. If we are unable to deliver within this period, you have the right to cancel your order and receive a full refund.
- 21.3 You need Our consent to transfer Your rights to someone else. You may only transfer Your rights or Your obligations under the Contract to another person if We agree to this in writing.
- 21.4 Nobody else has any rights under this contract. This contract is between You and Us. No other person shall have any rights to enforce any of its terms. Neither of Us will need to get the agreement of any other person in order to end the contract or make any changes to these Terms and Conditions.
- 21.5 The delivery date of the Products or the deadline for provision of the Services is a guideline only and may be varied by Us. Where the deadline for the provision of Services is to be varied, we will notify you of such variation.

- 21.7 Risk in the Products passes to you on delivery. Title to the Products passes to you once we have received payment in full. Payment is deemed to have been made when funds are received in the bank account specified in the invoice(s) issued to You by Us.
- 21.8 Even if We delay in enforcing this contract, We can still enforce it later. If We do not insist immediately that You do anything You are required to do under these Terms and Conditions, or if We delay in taking steps against You in respect of Your breaking this contract, that will not mean that You do not have to do those things and it will not prevent Us taking steps against You at a later date.
- 21.9 As a consumer, You will benefit from any mandatory provisions of the law of the country in which You are resident. Nothing in these terms and conditions, including this clause 20.8 affects Your rights as a consumer to rely on such mandatory provisions of local law.

21.10 This Contract constitutes the entire agreement between the Parties and supersedes and extinguishes all previous agreements, promises, assurances, warranties, representations and understandings between them, whether written or oral, relating to its subject matter, and may not be modified except by a written amendment signed by both Parties. The provision of any other terms and conditions by any other shall not bind Us in any way.

21.11 Each Party acknowledges and agrees that, in entering into this Contract, it does not rely on, and shall have no remedies in respect of, any statement, representation, assurance, warranty, or understanding (whether made innocently or negligently) that is not expressly set out in this Contract. Nothing in this clause shall limit or exclude any liability for fraud or fraudulent misrepresentation.
